

Let Me Be Your Tour Guide

L M B Y T G

The "Let Me Be Your Tour Guide" project aims to obtain a product that would be useful for education, for the local community and for improving the tourist "hot spots" from the cities involved

Students and other interested citizens can use this product to improve their knowledge of the history, culture and cultural monuments of their city in an interesting and simple way.

Though the LMBYTG project students are working on applications and digital teaching content to improve their English language skills and to improve their knowledge of the history and surroundings of the cities while participating in the project.
